RULES

Card sets 1 to 5 have 30 cards each. (Class Sets)
Card sets 6 to 10 have 12 cards each. (Small Group Sets)

Student with 1st card begins the game. He/She says: Who has ... and the amount. The student with that amount calls out: "I have xxx amount, Who has xxx?"

The game continues until all students get rid of their cards. To check for improvements, teachers might like to **TIME** the game.

The 12 card sets are ideal for groups of 3, 4 or 6 students where each student gets the same number of cards.
